**Explanatory Note:** This Amendment No. 2 (this “**Amendment**”) amends and supplements the Statement on Schedule 13D filed on June 9, 2014, as amended by Amendment No. 1 on Schedule 13D/A filed on February 1, 2016 (the “**Original Schedule 13D**”), with the Securities and Exchange Commission (the “**Commission**”) relating to the limited partner interests in Enable Midstream Partners, LP, a Delaware limited partnership (the “**Issuer**” or “**Partnership**”). The Original Schedule 13D is hereby amended and supplemented by CenterPoint Energy, Inc., a Texas corporation (“**CenterPoint**”), and CenterPoint Energy Resources Corp., a Delaware corporation (“**CERC**”, and, together with CenterPoint, the “**Reporting Persons**”) as set forth below in this Amendment (as so amended and supplemented, the “**Schedule 13D/A**”). Unless set forth below, all previous Items of the Original Schedule 13D are unchanged. Capitalized terms used herein which are not defined herein have the meanings set forth in the Original Schedule 13D.

**Item 1. Security and Issuer**

This Item 1 shall be deemed to amend and restate Item 1 of the Original Schedule 13D in its entirety.

This Schedule 13D/A relates to the common units representing limited partner interests (the “Common Units”) of the Partnership. The Partnership’s principal executive office is at One Leadership Square, 211 North Robinson Avenue, Suite 150, Oklahoma City, Oklahoma 73102.

Upon the termination of the subordination period as set forth in the Third Amended and Restated Agreement of Limited Partnership of the Partnership attached hereto as Exhibit P (the “Partnership Agreement”), the subordinated units (“Subordinated Units”) representing limited partner interests in the Partnership held by the Reporting Persons are convertible into Common Units on a one-for-one basis as set forth in the Partnership Agreement.

References to the “General Partner” refer to Enable GP, LLC, a Delaware limited liability company and the general partner of the Partnership.

**Item 4. Purposes of Transactions**

This Item 4 shall be deemed to amend and supplement Item 4 of the Original Schedule 13D as set forth below.

CenterPoint acquired the Series A Preferred Units reported herein for investment purposes.

The following describes plans or proposals that Reporting Persons may have with respect to the matters set forth in Item 4(a) of Schedule 13D:

(a) CenterPoint entered into a Purchase Agreement (the “Purchase Agreement”) on January 28, 2016 with the Partnership pursuant to which it agreed to purchase in a private placement (the “Private Placement”) an aggregate of 14,520,000 Series A Preferred Units for a cash purchase price of \$25.00 per Series A Preferred Unit. Pursuant to the terms of the Purchase Agreement, CenterPoint purchased the Series A Preferred Units from the Partnership on February 18, 2016.

On February 18, 2016, in connection with the closing of the Private Placement, the Partnership entered into a Registration Rights Agreement (the "Registration Rights Agreement") with CenterPoint pursuant to which, among other things, the Partnership gave CenterPoint certain rights to require the Partnership to file and maintain a registration statement with respect to the resale of the Series A Preferred Units and any other series of preferred units or common units representing limited partner interests in the Partnership that are issuable upon conversion of the Series A Preferred Units (collectively, the "Registrable Securities"). Pursuant to the Registration Rights Agreement, the Partnership has agreed to file up to five registration statements for the resale of the Registrable Securities as soon as practicable upon receipt of a written request from a record holder ("Holder") of Registrable Securities. Moreover, the Partnership has agreed to use reasonable best efforts to cause each such registration statement to remain effective for at least six months from its initial effectiveness. The Registration Rights Agreement provides certain customary piggyback rights. In the Registration Rights Agreement, the Partnership has agreed to indemnify Holders that elect to dispose of their Registrable Securities in any registration under the Securities Act of 1933, as amended (the "Securities Act"), against certain liabilities including liabilities under the Securities Act.

On February 18, 2016, in connection with the closing of the Private Placement and pursuant to the Purchase Agreement, the General Partner adopted the Partnership Agreement to, among other things, authorize and establish the terms of the Series A Preferred Units and the other series of preferred units that are issuable upon conversion of the Series A Preferred Units.

Pursuant to the Partnership Agreement, the Series A Preferred Units will rank senior to the Partnership's common units with respect to the payment of distributions and distribution of assets upon liquidation, dissolution and winding up. The Series A Preferred Units have no stated maturity and are not subject to any sinking fund and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership or converted into its common units in connection with a change of control.

Holders of the Series A Preferred Units will receive, on a non-cumulative basis and if and when declared by the General Partner, a quarterly cash distribution, subject to certain adjustments, equal to an annual rate of 10% on the stated liquidation preference from the date of original issue to, but not including, the five year anniversary of the original issue date and an annual rate of LIBOR plus a spread of 850 bps on the stated liquidation preference thereafter.

At any time on or after five years after the original issue date, the Partnership may redeem the Series A Preferred Units, in whole or in part, from any source of funds legally available for such purpose, by paying \$25.50 per unit plus an amount equal to all accumulated and unpaid distributions thereon to the date of redemption, whether or not declared. In addition, the Partnership (or a third-party with its prior written consent) may redeem the Series A Preferred Units following certain changes in the methodology employed by ratings agencies, changes of control or fundamental transactions as set forth in the Partnership Agreement. If, upon a change of control or certain fundamental transactions, the Partnership (or a third-party with its prior written consent) does not exercise this option, then the holders of the Series A Preferred Units have the option to convert the Series A Preferred Units into a number of common units per Series A Preferred Unit as set forth in the Partnership Agreement. The Series A Preferred Units are also required to be redeemed in certain circumstances if they are not eligible for trading on the New York Stock Exchange.

Holders of Series A Preferred Units will have no voting rights except for limited voting rights with respect to potential amendments to the Partnership Agreement that have a material adverse effect on the existing terms of the Series A Preferred Units, the issuance by the Partnership of certain securities, approval of certain fundamental transactions and as required by law.

Upon the transfer of any Series A Preferred Unit to a non-affiliate of CenterPoint, the Series A Preferred Units will automatically convert into a new series of preferred units (the "Series B Preferred Units") on the later of the date of transfer and the second anniversary of the date of issue. The Series B Preferred Units will have the same terms as the Series A Preferred Units except that unpaid distributions on the Series B Preferred Units will accrue on a cumulative basis until paid.

In connection with the closing of the Private Placement and pursuant to the Purchase Agreement, on February 18, 2016, the General Partner, CERC and OGE Enogex Holdings LLC, a Delaware limited liability company, entered into a Waiver pursuant to which, among other things, CERC waived any preemptive rights it and its subsidiaries and affiliates may hold pursuant to Section 5.8 of the Partnership Agreement, with respect to the Partnership's issuance and sale of the Series A Preferred Units to CenterPoint.

The summaries contained herein of the Registration Rights Agreement, Partnership Agreement, Purchase Agreement, and Waiver do not purport to be complete and are qualified in their entirety by reference to the full text of such documents, which are included as Exhibits O, P, Q and R respectively, to this Schedule 13D/A and are incorporated herein by reference.
