Item 2.01. Completion of Acquisition or Disposition of Assets.

On June 1, 2020, CenterPoint Energy Resources Corp., a Delaware corporation (“Seller”) and a wholly-owned subsidiary of CenterPoint Energy, Inc. (the “Company”), completed the sale of the outstanding membership interests of Symmetry Energy Solutions, LLC, a Delaware limited liability company (f/k/a CenterPoint Energy Services, Inc.) (“CES”) (the “Transaction”) to Symmetry Energy Solutions Acquisition, LLC, a Delaware limited liability company (f/k/a Athena Energy Services Buyer, LLC) (“Buyer”) for approximately \$286 million in cash pursuant to the Equity Purchase Agreement, dated February 24, 2020 (the “Purchase Agreement”), by and between Seller and Buyer. The \$286 million in cash includes adjustments for the estimated working capital at closing, which was lower than previously estimated due primarily to the impacts of changes in commodity prices and impacts related to the timing of close that resulted in less working capital needs at CES. Estimated working capital at closing is subject to customary post-closing review and adjustment. The closing of the sale of CES represents the disposition of substantially all of the businesses within the Company’s and Seller’s energy services reporting unit.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the complete text of the Purchase Agreement, which was filed as Exhibit 2.1 to the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission on February 24, 2020 and the terms of which are incorporated by reference herein.

Item 7.01. Regulation FD Disclosure.

On June 1, 2020, the Company issued a press release announcing the completion of the Transaction. A copy of this press release is furnished as Exhibit 99.1 hereto and is incorporated herein by reference.

The information furnished in Item 7.01 and Exhibit 99.1 are not deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act.

Item 9.01. Financial Statements and Exhibits.

CenterPoint Energy and Energy Capital Partners Complete Sale of CenterPoint Energy Services Business

- *Sale streamlines CenterPoint Energy's operations and allows for increased focus on its core utility businesses*
- *Energy Capital Partners rebrands CenterPoint Energy Services to Symmetry Energy Solutions*

Houston – June 1, 2020 – CenterPoint Energy, Inc. (NYSE: CNP) and Energy Capital Partners, LLC, (ECP), a private equity and credit investor specializing in energy infrastructure projects, today announced that they have closed on the sale of CenterPoint Energy Services, Inc. (CES) to an affiliate of ECP. Net proceeds of the sale will be used to repay a portion of outstanding CenterPoint Energy debt.

In connection with the closing of the transaction, CES changed its name to Symmetry Energy Solutions, LLC, (Symmetry Energy) and entered into a structured long-term Preferred Supply agreement through which Shell Energy North America (US), L.P. will provide gas supply and collateral support, as well as receive equity warrants.

“We are pleased to have completed this transaction as we continue to focus on the long-term performance of our core electric and natural gas utility businesses,” said John W. Somerhalder II, interim president and chief executive officer of CenterPoint Energy. “We appreciate CenterPoint Energy Services’ contribution to our business and feel confident that ECP is the right company to continue growing CES, now Symmetry Energy Solutions, and position it for long-term success.”

Incoming Symmetry Energy CEO Alan Dunlea said, “I am excited to lead a talented team in the next phase of Symmetry Energy’s growth, with a commitment to continue delivering innovative solutions and superior service to our broad base of customers.”

Andrew Gilbert, a partner at ECP said, “ECP looks forward to partnering with Symmetry Energy and its employees to extend the company’s long track record of reliable gas supply and customer service.”

Headquartered in Houston, CenterPoint Energy, Inc. (NYSE: CNP) is an energy delivery company with electric transmission & distribution, power generation and natural gas distribution operations that serve more than 7 million metered customers in Arkansas, Indiana, Louisiana, Minnesota, Mississippi, Ohio, Oklahoma and Texas. CenterPoint Energy's competitive energy businesses include energy-related services, energy efficiency and sustainability solutions, and owning and operating intrastate natural gas pipeline systems that help fund utility operations. As of March 31, 2020, the company owns approximately \$33 billion in assets and also owns 53.7 percent of the common units representing limited partner interests in Enable Midstream Partners, LP, a publicly traded master limited partnership that owns, operates and develops strategically located natural gas and crude oil infrastructure assets. With approximately 9,600 employees, CenterPoint Energy and its predecessor companies have been in business for more than 150 years. For more information, visit CenterPointEnergy.com.

Energy Capital Partners, founded in 2005, is a North American-focused investor across both equity and credit infrastructure assets, including natural gas power generation, renewables and storage solutions, midstream, environmental infrastructure and opportunistic energy situations emphasizing the transition to clean energy while avoiding the more volatile energy subsectors like exploration and production. The ECP team, comprised of 61 people with 600 years of collective industry experience, deep expertise and extensive relationships, has consummated more than 60 transactions over the last 10 years, representing more than \$45 billion of enterprise value.
