Item 10. Directors, Executive Officers and Corporate Governance.

As of the date of this Annual Report on Form 10-K, CenterPoint Energy Transition Bond Company IV, LLC (the “Issuing Entity”) has five managers. For as long as necessary under applicable Rating Agency criteria (as such term is defined in the Issuing Entity’s Amended and Restated Limited Liability Company Agreement (the “LLC Agreement”)) in order to maintain a rating of “AAA” (or the equivalent thereof) for the Issuing Entity’s Series 2012 Senior Secured Transition Bonds, the Issuing Entity shall have at least two individuals who are Independent Managers (as such term is defined in the LLC Agreement). In the event that two Independent Managers are not necessary under applicable Rating Agency criteria in order to maintain such a rating, the Issuing Entity shall have at least one individual who is an Independent Manager. Currently, Messrs. Angelo and O’Connor serve as the Independent Managers of the Issuing Entity.

Independent Manager is defined in the LLC Agreement as a manager of the Issuing Entity who is not, and within the previous five years was not (except solely by virtue of such Person’s serving as, or affiliation with any other Person serving as, a special member or an independent director or manager, as applicable, of CenterPoint Energy Houston Electric, LLC (“Houston Electric”), the Issuing Entity or any bankruptcy remote special purpose entity that is an Affiliate of Houston Electric or the Issuing Entity), (i) a stockholder, member, partner, director, officer, employee, Affiliate, customer, supplier, creditor or independent contractor of, or any Person that has received any benefit in any form whatsoever from (other than in such Manager’s capacity as a ratepayer or customer of Houston Electric in the ordinary course of business), or any Person that has provided any service in any form whatsoever to, or any major creditor (or any Affiliate of any major creditor) of, the Issuing Entity, Houston Electric or any of their Affiliates, or (ii) any Person owning beneficially, directly or indirectly, any outstanding shares of common stock, any limited liability company interests or any partnership interests, as applicable, of the Issuing Entity, Houston Electric, or any of their Affiliates, or of any major creditor (or any Affiliate of any major creditor) of any of the foregoing, or a stockholder, member, partner, director, officer, employee, Affiliate, customer, supplier, creditor or independent contractor of, or any Person that has received any benefit in any form whatever from (other than in such Person’s capacity as a ratepayer or customer of Houston Electric in the ordinary course of business), or any Person that has provided any service in any form whatever to, such beneficial owner or any of such beneficial owner’s Affiliates, or (iii) a member of the immediate family of any person described above; provided that the indirect or beneficial ownership of stock through a mutual fund or similar diversified investment vehicle with respect to which the owner does not have discretion or control over the investments held by such diversified investment vehicle shall not preclude such owner from being an Independent Manager. For purposes of this definition, “major creditor” shall mean a natural person or business entity to which the Issuing Entity, Houston Electric or any of their Affiliates has outstanding indebtedness for borrowed money or credit on open account in a sum sufficiently large as would reasonably be expected to influence the judgment of the proposed Independent Manager adversely to the interests of the Issuing Entity when the interests of that Person are adverse to those of the Issuing Entity. 1122(d)(4)(ii)	Pool assets and related documents are safeguarded as required by the transaction agreements.	Applicable; assessment below.
1122(d)(4)(iii)	Any additions, removals or substitutions to the asset pool are made, reviewed and approved in accordance with any conditions or requirements in the transaction agreements.	Not applicable; no removals or substitutions of transition property are contemplated or allowed under the transaction documents.
1122(d)(4)(iv)	Payments on pool assets, including any payoffs, made in accordance with the related pool asset documents are posted to the Servicer's obligor records maintained no more than two business days after receipt, or such other number of days specified in the transaction agreements, and allocated to principal, interest or other items (e.g., escrow) in accordance with the related pool asset documents.	Applicable; assessment below. Payments received from REPs are posted to Servicer's records and funds transferred to Trustee.
1122(d)(4)(v)	The Servicer's records regarding the pool assets agree with the Servicer's records with respect to an obligor's unpaid principal balance.	Not applicable; because underlying obligation (transition charge) is not an interest bearing instrument
1122(d)(4)(vi)	Changes with respect to the terms or status of an obligor's pool asset (e.g., loan modifications or re-agings) are made, reviewed and approved by authorized personnel in accordance with the transaction agreements and related pool asset documents.	Applicable; assessment below. The only changes relate to true-up under the financing order.
1122(d)(4)(vii)	Loss mitigation or recovery actions (e.g., forbearance plans, modifications and deeds in lieu of foreclosure, foreclosures and repossessions, as applicable) are initiated, conducted and concluded in accordance with the timeframes or other requirements established by the transaction agreements.	Applicable, to the extent required by the transaction agreements; assessment below.
1122(d)(4)(viii)	Records documenting collection efforts are maintained during the period pool asset is delinquent in accordance with the transaction agreements. Such records are maintained on at least a monthly basis, or such other period specified in the transaction agreements, and describe the entity's activities in monitoring delinquent pool assets including, for example, phone calls, letters and payment rescheduling plans in cases where delinquency is deemed temporary (e.g., illness or unemployment).	Applicable, but does not require assessment since no explicit documentation requirements with respect to delinquent accounts are imposed under the transactional documents due to availability of "true-up" mechanism.

<u>Regulation AB Reference</u>	<u>Servicing Criteria</u>	<u>Applicable Servicing Criteria</u>
1122(d)(4)(ix)	Adjustments to interest rates or rates of return for pool assets with variable rates are computed based on the related pool asset documents.	Not applicable; transition charges are not interest bearing instruments.
1122(d)(4)(x)	Regarding any funds held in trust for an obligor (such as escrow accounts): (A) such funds are analyzed, in accordance with the obligor's pool asset documents, on at least an annual basis, or such other period specified in the transaction agreements; (B) interest on such funds is paid, or credited, to obligors in accordance with applicable pool asset documents and state laws; and (C) such funds are returned to the obligor within 30 calendar days of full repayment of the related pool assets, or such other number of days specified in the transaction agreements.	Applicable; assessment below.
1122(d)(4)(xi)	Payments made on behalf of an obligor (such as tax or insurance payments) are made on or before the related penalty or expiration dates, as indicated on the appropriate bills or notices for such payments, provided that such support has been received by the Servicer at least 30 calendar days prior to these dates, or such other number of days specified in the transaction agreements.	Not applicable; Servicer does not make payments on behalf of obligors.
1122(d)(4)(xii)	Any late payment penalties in connection with any payment to be made on behalf of an obligor are paid from the Servicer's funds and not charged to the obligor, unless the late payment was due to the obligor's error or omission.	Not applicable; Servicer cannot make advances of its own funds on behalf of customers under the transaction documents.
1122(d)(4)(xiii)	Disbursements made on behalf of an obligor are posted within two business days to the obligor's records maintained by the Servicer, or such other number of days specified in the transaction agreements.	Not applicable; Servicer cannot make advances of its own funds on behalf of customers to pay principal or interest on the bonds.
1122(d)(4)(xiv)	Delinquencies, charge-offs and uncollectible accounts are recognized and recorded in accordance with the transaction agreements.	Applicable; assessment below.
1122(d)(4)(xv)	Any external enhancement or other support, identified in Item 1114(a)(1) through (3) or Item 1115 of Regulation AB, is maintained as set forth in the transaction agreements.	Not applicable; no external enhancement is required under the transaction documents.

3. ASSERTION OF COMPLIANCE WITH APPLICABLE SERVICING CRITERIA**MANAGEMENT'S ASSERTION OF COMPLIANCE**

Management of the Trust & Agency Services department of Deutsche Bank National Trust Company and Deutsche Bank Trust Company Americas (collectively the "Company") is responsible for assessing the servicing criteria set forth in Item 1122(d) of Regulation AB promulgated by the Securities and Exchange Commission to determine which criteria are applicable to the Company in respect of the servicing platform described below. Management has determined that the servicing criteria are applicable in regard to the servicing platform as of and for the period as follows:

Platform: Publicly-issued (*i.e.*, transaction-level reporting required under the Securities Exchange Act of 1934, as amended) and certain privately-issued (*i.e.*, for which transaction-level reporting is required pursuant to contractual obligation) residential mortgage-backed securities, commercial mortgage-backed securities and other asset-backed securities issued on or after January 1, 2006, for which the Company provides trustee, certificate administrator, securities administration, paying agent or custodian services, as defined in the transaction agreements, excluding publicly-issued securities sponsored or issued by any government sponsored entity (the "Platform") (see Appendix A).

Applicable Servicing Criteria: All servicing criteria set forth in Item 1122(d), to the extent required by Item 1122(d) servicing criteria in regards to the activities performed by the Company with respect to the Platform as to any transaction, except for the following criteria: 1122(d)(4)(iv) – 1122(d)(4)(xiv), which management has determined are not applicable to the activities the Company performs with respect to the Platform (the "Applicable Servicing Criteria"). With respect to Applicable Servicing Criteria 1122(d)(1)(ii), 1122(d)(1)(iii), 1122(d)(2)(iii) and 1122(d)(4)(iii) there were no activities performed during the year ended December 31, 2021 with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities.

Period: Year ended December 31, 2021 (the "Period").

Management's interpretation of Applicable Servicing Criteria: The Company's management has determined that servicing criterion 1122(d)(1)(iii) is applicable only with respect to its continuing obligation to act as, or locate a, successor servicer under the circumstances referred to in certain transaction agreements. It is management's interpretation that the Company has no other active back-up servicing responsibilities in regards to servicing criterion 1122(d)(1)(iii) as of and for the Period. The Company's management has determined that servicing criterion 1122(d)(1)(v) is applicable only to the activities the Company performs related to the mathematically accurate aggregation of information received from servicers and the accurate conveyance of such information within reports to investors. The Company's management has determined that servicing criterion 1122(d)(4)(iii) is applicable to the activities the Company performs with respect to the Platform only as it relates to the Company's obligation to report additions, removals or substitutions on reports to investors in accordance with the transaction agreements.

With respect to the Platform as of and for the Period, the Company's management provides the following assertion of compliance with respect to the Applicable Servicing Criteria:

- The Company's management is responsible for assessing the Company's compliance with the Applicable Servicing Criteria.
- The Company's management has assessed compliance with the Applicable Servicing Criteria. In making this assessment, management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
- Based on such assessment, the Company has complied, in all material respects with the Applicable Servicing Criteria.

Ernst & Young LLP, an independent registered public accounting firm, has issued an attestation report with respect to management's assertion of compliance with the Applicable Servicing Criteria as of and for the Period.

**ATTESTATION REPORT ON ASSESSMENT OF COMPLIANCE WITH
SERVICING CRITERIA FOR ASSET-BACKED SECURITIES**

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
CenterPoint Energy Houston Electric, LLC
Houston, Texas

We have examined management of CenterPoint Energy Houston Electric, LLC's assertion, included in the accompanying Report on Assessment of Compliance with Servicing Criteria for Asset-Backed Securities for CenterPoint Energy Houston Electric, LLC, that CenterPoint Energy Houston Electric, LLC (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the \$1,695 million original principal amount of CenterPoint Energy Transition Bond Company IV, LLC's transition bonds (the "2012 Senior Secured Transition Bonds"), excluding criteria 1122(d)(1)(ii) (outsourcing), (1)(iii) (back-up servicing), (1)(iv) (fidelity bond), (2)(ii) (wire transfer disbursements), (2)(vi) (unissued checks), (3)(ii) (allocation and remittance), (3)(iii) (disbursements to investors), (4)(iii) (additions, removals or substitutions), (4)(v) (records regarding pool assets), (4)(ix) (adjustments to interest rates), (4)(xi) (payments on behalf of obligors), (4)(xii) (late payment penalties), (4)(xiii) (obligor disbursements), and (4)(xv) (external credit enhancement) (the "servicing criteria"), as of and for the year ended December 31, 2021, which management has determined are not applicable to the activities performed by the Company with respect to the 2012 Senior Secured Transition Bonds. The Company's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the servicing criteria based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria, including tests on a sample basis of the servicing activities related to the Platform, determining whether the Company performed those selected activities in compliance with the servicing criteria during the specified period, and performing such other procedures as we considered necessary in the circumstances. Our procedures were limited to selected servicing activities performed by the Company during the period covered by this report and, accordingly, such samples may not have included servicing activities related to each asset-backed transaction included in the 2012 Senior Secured Transition Bonds. Further, an examination is not designed to detect noncompliance arising from errors that may have occurred prior to the period specified above that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that the evidence we obtained in our examination is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria as of and for the year ended December 31, 2021, for the 2012 Senior Secured Transition Bonds, is fairly stated, in all material respects.

**ATTESTATION REPORT ON ASSESSMENT OF COMPLIANCE WITH
SERVICING CRITERIA FOR ASSET-BACKED SECURITIES**

Report of Independent Registered Public Accounting Firm

We have examined management's assertion, included in the accompanying Management's Assertion of Compliance, that Trust & Agency Services department of Deutsche Bank National Trust Company and Deutsche Bank Trust Company Americas (collectively the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the publicly-issued (i.e., transaction-level reporting required under the Securities Exchange Act of 1934, as amended) and certain privately-issued (i.e., for which transaction-level reporting is required pursuant to contractual obligation) residential mortgage-backed securities, commercial mortgage-backed securities and other asset-backed securities issued on or after January 1, 2006, for which the Company provides trustee, certificate administrator, securities administration, paying agent or custodian services, as defined in the transaction agreements, excluding publicly-issued securities sponsored or issued by any government sponsored entity (the "Platform"), as of and for the year ended December 31, 2021, except for criteria 1122(d)(4)(iv) – 1122(d)(4)(xiv), which the Company has determined are not applicable to the activities it performs with respect to the servicing platform covered by this report. Refer to Appendix A of Management's Assertion of Compliance for the asset backed transactions covered by this platform. Management is responsible for the Company's compliance with those servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the servicing criteria based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of less than all of the individual asset backed transactions and securities that comprise the platform, testing of less than all of the servicing activities related to the Platform and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. Although the Company is responsible for assessing compliance with criteria 1122(d)(1)(ii), 1122(d)(1)(iii), 1122(d)(2)(iii) and 1122(d)(4)(iii) of Regulation AB, there were no occurrences of events that would require the Company to perform such activities during the year ended December 31, 2021. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria as of and for the year ended December 31, 2021 for the Platform is fairly stated, in all material respects.
